FEES AND COMMISSIONS PAID TO AFFINIA

Initial commissions paid to Affinia

Affinia may receive initial commission from the product providers if you decide to purchase a product I recommend. The amount of initial commission / fee is calculated as a percentage of the funds you invest and / or the premium paid by you. The fee may be deducted from the amount invested or commission is paid by the Insurer when you purchase the insurance.

Initial commissions, where permitted by law, are calculated as follows:

- Life Insurance investments, managed investments, superannuation, IDPS products: between 0% - 5% (GST inclusive) of your investment amount; or
- Life Insurance risk products: between 0% - 77% (GST inclusive) of the premium that you pay.

Ongoing commissions paid to Affinia

Ongoing commissions, fees may be deducted regularly from your investment for the length of time that you hold the product. They are usually paid to Affinia by the product provider out of the revenue the product provider earns. In some cases, they may be deducted from your investment.

Ongoing commissions, where permitted by law, are calculated as follows:

- Life Insurance investments, superannuation, IDPS products: between 0% - 3% (GST inclusive) of your investment amount; or
- Life Insurance risk products: between 0% and 22% (GST inclusive) of the renewal premium.

For example, if an insurance product is recommended and you pay a premium of \$500, then the total “upfront” commission paid by the product issuer to Affinia will be between \$0 and \$440. Thereafter, the “ongoing” commission paid to Affinia will be between \$0 and \$165 (assuming there is no change to the premium you pay in subsequent years).

Fees and Charges

Fees may be charged for the services I provide. These fees will be agreed upon and confirmed to you prior to any service provided. Current fees and charges (GST inclusive) are:
